Danielle Beach, RN
Float
Medical Manager

COMMUNITY DIRECTOR

With over 15 years in the healthcare field, Jessica has accumulated a wealth of experience across various healthcare settings. Her passion lies particularly in the long-term care sector, where she has dedicated herself to enhancing the lives of seniors. Jessica Vetterkind holds an Associate's Degree in Health Care Administration from Phoenix University and an Associate's Degree in Liberal Arts from MATC. She is also certified as a Certified Nursing Assistant. Currently residing in Sun Prairie, Jessica has also lived in Florida, California, and Arkansas, experiencing different healthcare environments and cultures bringing a vast amount of knowledge to our community. Jessica is a proud mother of five children, ages 19, 17, 13, 5, and 2, who keep her life vibrant and fulfilling. Outside of her professional life, Jessica enjoys spending quality time with her family, especially at their lakehouse where they fish and swim together. She finds joy in sunshine, indulges in reading, and values peaceful walks in nature.

EXECUTIVE VP + CHIEF MEDICAL DIRECTOR

Brooke brings extensive expertise and a compassionate approach to overseeing resident care across our communities. With over 20 years of experience in the healthcare industry, Brooke has held integral roles in patient care and management. Her career includes significant experience in geriatric care, providing her with a deep understanding of the needs of our senior residents. Before becoming a Nurse Practitioner, Brooke spent 5 years as a Registered Nurse in the UW Hospital Intensive Care Unit, where she honed her clinical skills and dedication to patient well-being. Outside of her professional commitments, Brooke resides in Deerfield, WI, with her husband and three daughters. She values family time and enjoys participating in community activities. Her expertise and leadership guide our healthcare teams in delivering personalized, compassionate care tailored to meet the unique needs of each individual.

FLOAT MEDICAL MANAGER

With 9 years of dedicated service in healthcare, Danielle embarked on her career path early, starting as a Certified Nursing Assistant (CNA) while still in high school. Her initial experiences in a Community-Based Residential Facility (CBRF) ignited her passion for patient care. Danielle furthered her education and obtained her Associate Degree in Nursing (ADN), marking a significant milestone in her journey towards becoming a Registered Nurse. Danielle began her nursing career by gaining invaluable experience in medical-surgical and critical care settings. These early roles honed her clinical skills and deepened her commitment to providing compassionate and effective healthcare. Outside of her professional endeavors, Danielle cherishes her life with her beloved spouse and their chocolate lab. Recently, they fulfilled a dream of homeownership in Fort Atkinson, where they are building their future together. Danielle finds joy in spending quality time with her family and close friends.
