Home
Again

Brea Dahl has been part of Home Again Living since 2017. With nine years of care experience, including work as a certified nursing assistant, she brings firsthand knowledge of resident care to her leadership and support of the Waunakee team. Brea has taken on growing responsibilities during her time with Home Again and values strong relationships with residents, families, and staff. Her interest in service extends beyond work through mission trips focused on supporting children. Outside work, she enjoys reading, spending time outdoors, and being with her son.

CHLOE FITZGERALD

Again

Chloe Fitzgerald serves as the Staffing Director at Home Again Living's Waunakee community. With five years of experience as a Certified Nursing Assistant and nearly three years of leadership experience, Chloe brings a strong background in healthcare and team coordination. Her experience in hospice and labor and delivery has given her a well-rounded understanding of compassionate care and the importance of supporting both residents and staff. Chloe is passionate about creating a positive work environment, building strong teams, and ensuring residents receive the quality care they deserve. Outside of work, she enjoys camping, spending time on the lake, traveling, and making memories with her family and her dog, Dozer.

Home
Again

Theresa Hetzel brings more than 30 years of nursing experience to Home Again Living's Waunakee medical team. A licensed practical nurse, she previously spent 27 years at a local skilled nursing and assisted living community. Theresa studied nursing at Madison Area Technical College and draws on her experience to work closely with residents, families, and primary care providers. She values relationships that help care reflect each resident's individual needs. Outside work, she enjoys hiking, biking, canoeing, and traveling with her husband.

Alexandra Dickman brings experience across several senior care settings to her role as medical manager at Home Again Living's Waunakee community. She has 15 years of nursing experience and began her geriatric care career as a certified nursing assistant, later worked in assisted living case management, and served as a director of nursing in skilled nursing. Alexandra earned a Bachelor of Science in Nursing from Herzing University and became a registered nurse in 2023. She works with residents, families, and colleagues to support coordinated, attentive care. Outside work, she enjoys gardening, boating, fishing, and time with her pets.

Again

Bobbie Dickinson brings 15 years of long-term care experience to helping residents at Home Again Living's Waunakee community stay engaged in activities and experiences that matter to them. Before joining Home Again, she worked as a lead certified nursing assistant and medical records clerk in long-term care. She also holds a degree in medical coding and billing from Herzing College. Bobbie works alongside community and medical leaders to learn residents' interests and support meaningful daily life. Outside work, she enjoys sports, the outdoors, and time with her family.

Brooke LaChance guides clinical care across Home Again Living's communities. A nurse practitioner with 25 years of nursing experience in geriatric, pulmonary, critical care, and transplant medicine, she brings a broad clinical perspective to resident care and team leadership. Alongside her Home Again role, Brooke continues to work as a nurse practitioner with the pulmonary clinic at UW Hospital. Earlier in her career, she worked as a registered nurse in the UW Hospital intensive care unit. Brooke earned a Bachelor of Science in Nursing from Linfield College and a master's degree in nursing from the University of Wisconsin-Madison. At Home Again, she supports care that responds to each resident's needs and goals.

**FLOAT

Again

Danielle Beach supports medical teams across Home Again Living's communities. She began caring for older adults as a certified nursing assistant in high school and later earned an associate degree in nursing. Her four years of nursing experience include medical-surgical and critical care settings. As a float medical manager, Danielle brings that range of experience to the communities she serves and works with colleagues to provide attentive, compassionate support to residents. Outside work, she enjoys time with family, friends, and her chocolate lab.

Shanna Phillips supports residents, families, and staff across Home Again Living's communities. She brings 25 years of professional experience, including clinic manager and director roles that built her skills in team leadership, operations, and staff development. She also studied psychology at the University of Wisconsin-La Crosse. In her float role, Shanna helps community teams respond to day-to-day needs and maintain a welcoming experience for residents and families. Outside work, she enjoys gardening, scrapbooking, paddleboarding, and time with her family.
